About Us

KL Havana FC is a girl football club based in Kuala Lumpur, together with Soccer Experience a football club based in Penang are here once again organising a weekend of football tournaments in the beautiful island of Penang and this time we collaborate with JuniorXSports.

Last year, we had teams from Penang, Kuala Lumpur, Selangor and Kedah joining for U14 and U18 age group competition. We hope this year, more teams will be joining in and hopefully an international team from our neighbouring countries.

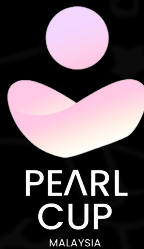

Tournament Objective

1. To provide quality competitive matches to women footballers in an organised environment;
2. To promote women football in Malaysia,
3. To give women football academies in Malaysia the opportunity to compete and meet up with other other women football academies in Malaysia;
4. Creating a platform to scout for talented women footballers; and
5. Creating coaching opportunities to coaches for personal and youth development.
